Sir,

.....

I beg to refer you to your communication of the 8th August last, wherein you advised that you have rented your place to a man on shares and that you will advise further in connection with the cancellation proceedings which were instituted against your entry on the 12th June last for failure to complete payment therefor.

I am now to state that the leasing of unpatented Dominion Lands, being in its nature an assignment for the term of the lease, is contrary to the provisions of Section 31 of the Dominion Lands Act and anyone guilty of an infringement of the provisions in that regard renders his right to the land liable to forfeiture, unless the Minister otherwise declares.

Under the circumstances, the Department requires to know whether or not the lease in this case is so worded as to give possession of the land to the lessee. If this is the case, it will be necessary for you to cancel the agreement and as evidence thereof surrender the lease to the Department with an endorsation thereon to that effect. Provided action is taken accordingly without unnecessary delay, the question of an extension of time for payment of the purchase price will be considered on its merits.

There would be no objection to you entering into an agreement with any person to put in the crop on the understanding that the same is for your own use and benefit. The matter of compensation could be arranged either on a cash basis or by means of a share of the crop which may be harvested, as long as possession of the land is not given.

It is, therefore, expected that within a period of thirty days of this date you will advise as to the foregoing and also satisfy the Department that it is your intention to at least make a substantial payment on account out of the proceeds of this year's crop.

Secretary.

"Under the circumstances, the Department requires "to know whether or not the lease in this case is so worded as to give possession of the land to the lessee. If "this is the case, it will be necessary for you to cancel "the agreement and as evidence thereof surrender the lease "to the Department with an endorsation thereon to that effect "Provided action is taken accordingly without unnecessary "delay, the question of an extension of time for payment of "the purchase price will be considered on its merits.

Re S.W.¼ 18--32--8 W.4th Mer.

I am to acknowledge your letter of the 4th instant, and in reply to say it is necessary that you should terminate the agreement to lease your pre-emption unless it can be established to the satisfaction of the Department that such agreement does not give the lessee possession of the land.

With regard to your offer to pay over to the Department $100.00 or more this autumn on the understanding that the lease is allowed to stand, I may say for the reason mentioned in my letter dated the 5th ultimo your request cannot be granted. On the other hand you state that you are prepared to resume residence and farm the land yourself next Spring, provided the Department will forego a payment on account of the purchase price this year.

Having regard for all the circumstances of the case, the latter course would appear to be the better one, and on the understanding that you will cancel the lease at once, furnish the Department with evidence to that effect, and give assurance of your intention to go into residence next Spring, the question of an extension of time until the 1st of November, 1915, for payment of the purchase price will be given consideration. A period of thirty days from this date will be granted you within which to comply with these requirements.

Mr. Hume.

Re S.W.¼ 18-32-8, W.4th M.,
Pre-emption - Nikol Nedokus.
Entry granted 8th April, 1910.

Homestead (patented 27.3.14).

Cancellation proceedings outstanding.

This entrant applied for patent on the 21st March, 1918, claiming duties as shown on form No. 58-B hereunder. Apparently his duties were completed in a satisfactory manner and he secured a Certificate of Recommendation which was renewed to the 1st July, 1922. It has not been further extended and nothing has been paid on account of the purchase price. The entrant also has considerable seed grain indebtedness.

Mr. Nedokus applied for an extension of time to make payment of the purchase price in July 1923, claiming that he was residing on and farming his pre-emption but had not had any crop of any size for the last four years. His Certificate of Recommendation was not returned, it being stated that same was lost, and as he failed to file a declaration to this effect no extension was granted to him.

A Homestead Inspector reporting in April last, stated that the entrant had rented his land to another Russian and that the same is all under cultivation and partly ready to put in crop. There was no one on the land at the time of inspection but in the event of a crop the man should be in a position to settle the seed grain account. The Inspector failed to ascertain the entrant's present address, stating that he was in British Columbia.

Cancellation proceedings were instituted on the 12th June, 1924, and the entrant on the 5th August wrote the Department from Vernon, B.C., stating that he had rented his place for four years to a man, on shares, and had placed all his business in the hands of the Debt Adjustment Commission.

He

He was advised that the leasing of unpatented Dominion Lands was contrary to the provisions of the Dominion Lands Act and that if the lease gave possession of the land he would require to cancel the same. He was allowed thirty days to satisfy the Department on this point and also to state his intentions with regard to the indebtedness. He explained that he had been obliged to go to British Columbia on account of his wife's health but that he desired to retain the land. He indicated that if the leasing agreement could stand he would be prepared to pay $100.00 on account but that if he had to return to the land he could not do this as it would require money to start farming again.

He was required to furnish his copy of the leasing agreement and same has now come to hand. It covers both the homestead and pre-emption quarter-sections and is apparently an ordinary Farm Lease which would appear to give possession to the lessee. The entrant states that if the lease is not satisfactory he will go on the place and work the land himself next spring. He asks for the return of the lease.

Will you please say if he should be required to cancel the lease, or if the lease might be allowed to stand and the entrant called on to make a payment on account of his indebtedness.

Entry granted 8th April, 1910.

Nikol Nedokus applied for patent for his pre-emption on the 21st March, 1918, and was granted a Certificate of Recommendation which expired on the 1st July, 1922 - a renewal having been authorized. However, the payments are in default.

Cancellation proceedings were instituted on the 12th June, 1924, on a report that the land was all in crop in 1923 and that the entrant should under the circumstances be in a position to settle his account with the Department.

In a letter dated the 8th August, 1924, written in defence of his entry, Mr. Nedokus stated that he had rented his land for four years on a crop share basis and had placed his affairs in the hands of the Debt Adjustment Bureau, Regina. He was informed of the illegality of leasing the land and after some delay the agreement has been cancelled and forwarded to the Department for the necessary endorsation thereon to that effect.

Mr. Nedokus is reported by his solicitor, Mr. Walter M. Crockett, Barrister of Youngstown, Alberta, to have purchased horses and machinery and to have returned to the land and is now putting in a crop himself. Having, it is stated, exhausted his means, Mr. Nedokus will be unable to make payment on account of his pre-emption before next Autumn and an extension of time is asked for.

In connection with a previous renewal of his Certificate of Recommendation it was stated on behalf of Mr. Nedokus that his Certificate had been lost and under the circumstances he might be called upon to furnish an Abstract of Title supported by statutory declaration establishing the facts regarding the loss.

In this connection please see Mr. Lynch's memorandum of the 11th December last (marked) with your recommendation thereon, and Mr. Matheson's approval.

Mr. E.M. Medlen,

Seed Grain Advisory Board.

Re: Account of Nikol Nedokus (deceased),
W.½ 18-32-8-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain and fodder amounting to $494.35 were advanced to Nikol Nedokus on the security of the above mentioned land. Payments of $250.00, $37.05, $23.75 and $113.60 were received in 1921, 1926, 1926 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 314.97	$ 499.55	$ 814.52

Patent was issued in the name of Nikol Nedokus for the N.W. 18-32-8-W.4th on the 27th of March, 1914, later becoming subject to the liens. The S.W. 18-32-8-W4 was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alta., wrote as follows:-

"The South west quarter is unalienated Crown land while title to the North west quarter is vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Grazing Lease as issued by this Department, and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir,

I beg to acknowledge the receipt of your letter of the 3rd instant, stating that you have completed considerable cultivation on your pre-emption and have performed the residence in connection with your homestead entry by living on the homestead.

In reply I am to say that it does not matter on which quarter section the cultivation is completed, if you have completed thirty acres of cultivation, a reasonable proportion of which was done in each of three years, and have completed three terms of residence, six months each, you may appear before the Agent of Dominion Lands at Calgary or the Sub-Agent of your district with two competent witnesses and make formal application for patent.

Stock may be substituted for cultivation only when there is not sufficient arable land to comply with the homestead regulations with regard to cultivation. If you desire to have your quarter section inspected with the view to substituting stock, you should apply to the Agent of Dominion Lands at Calgary and an Inspector will investigate the land.

The entrant was advised accordingly on the 23rd March last and on the same date the Agency was instructed to institute cancellation proceedings against the entries and to advise the entrant at his known addresses.

Cancellation proceedings were instituted against the entries on the 7th April last.

The entrant now reports that no defence has been filed and states that as the duties would appear to have been performed he did not think it necessary to instruct a Homestead Inspector to furnish a report. He should be advised as to what action the Department intend taken in this case.

According to the evidence on file it would appear that sufficient duties have been performed in connection with the homestead and that the application for patent for the pre-emption could also be accepted upon payment being made in full and proof furnished that the entrant has broken or tilled the forty acres already broken, as it is noted by a report from Homestead Inspector Woodlock, dated the 15th December, 1919, that he considered that the entrant had broken, namely, forty acres, was equal to eighty acres of ordinary prairie land; that the balance was sum-mits, one large slough and small flat.

According to the latest report received from the Patent Branch, nothing has been paid on account of the purchase price in connection with the pre-emption, and all payments are overdue since the 28th November, 1920.

As the entries have been standing for nine years and as the entrant has failed to file a defence, please say what action you desire taken in connection with the proceedings pending.

Pre-emption - George T. Frakes.
Entry granted 28th November, 1919.

The entrant in this case made application for patent for his homestead and pre-emption on the 23rd September, 1919, claiming the required six years residence, forty acres of breaking and forty acres cropped; cultivation in each of five years only.

The entrant was advised that it would be necessary for him to furnish his Certificate of Naturalization as a British subject, and increase the breaking to eighty acres.

Up to the present he has not furnished his Certificate of Naturalization as a British subject, although he has been requested to do so on several occasions, neither has he furnished evidence that he has completed the cultivation duties.

Homestead Inspector Woodlock reported on the 15th March, 1921, that Mr. Frakes had not been in the vicinity of the above land since the fall of 1918 and that information from his brother who also claims his brother is not coming back until such time that the country will warrant a crop as he has sunk all his money in that land".

The case was submitted on the 31st March last and instructions were given to institute cancellation proceedings against the entry for failure to make a complete application for patent within the prescribed time, and to advise the entrant accordingly but action was held in abeyance pending receipt of the necessary Certificate of Naturalization.

re - G. F. Frakes
W. ½ 6-29-3 W 4

Sir:

I am in receipt of Form No. 40 from the Agent of Dominion Lands at Calgary, cancelling the entry of George F. Frakes for the W. ½ 6-29-3 W 4.

Homestead Inspector Woodlock reported on 9th March, 1921 that Mr. Frakes had not been in the vicinity of the above land since the fall of 1919, and that he was farming at Harris, Saskatchewan.

For your information I might state that this man made application for seed grain on 6th January, 1919, and in his application stated he had improvements to the value of $75.00, horses - $1,000, cattle - $200.00, and implements - $200.00.

On 18th March following he was supplied with seed grain to the value of $129.60. If Homestead Inspector Woodlock's report is correct it is possible that the seed grain supplied in 1919 was not used on the W. ½ 6-29-3 W 4.

I would request that you have your representative when in the vicinity of Harris, Saskatchewan, make inquiries regarding this man, and ascertain if he is the owner of any land, also endeavour to collect the amount due this Department which is $297.56 - interest to 31st March, 1923.

When you have received your report kindly advise me.

Dear Sir,-

re - G. F. Frakes
W. ½ 6-29-3-W. 4th Mer.

I beg to report having located the above man, who incurred seed grain indebtedness against the land above described. He is now resident north of Harris, Sask.

Mr. Frakes claims that in 1919 when he secured the seed grain in advance, that after seeding he left the district, going to work for a farmer in Harris, Sask. renting his land to Mr. W.W.Edlar who lives on the adjoining land.

Mr. Edlar's agreement was that he was to pay Mr. Frakes' share of the crop to the Department for seed grain and in addition was to pay $50.00 per year rental, these amounts to be paid direct to the Agent of Dominion Lands at Calgary. Mr. Frakes felt certain that Mr. Edlar would pay these amounts if he had not already done so. Personally, Mr. Frakes was not in a position to make any payment upon this indebtedness as he has just leased land and has no crop this year.

Mr. Frakes is at present resident on the W. ½ 36-32-10-W. 3rd Mer., post office Harris, Sask.

Re: Account of George Wm. Frakes
W.½ 6-29-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1919 seed grain and relief amounting to $234.50 were advanced to George Wm. Frakes on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 234.50	$ 492.84	$ 727.34

The W.½ 6-29-8-W4 were formerly the homestead entry and pre-emption of the debtor whose entries were cancelled on the 26th of July 1922 and are still Crown lands held in the right of the Province.

In reply to our questionaire of the 26th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

I beg to acknowledge receipt of your telegram of yesterday's date, as follows:-

"Please wire permission locate south African scrip."

In reply I beg to say that your declarations of abandonment of your homestead and pre-emption entries for the land above described were duly received here, but as the practice of the Department requires that all abandonments should first go through the hands of the Local Agent before action is taken here, your declarations were forwarded to the Agent at Calgary on the 15th instant to be noted by him. Until they are returned the Department cannot take any action in the direction of cancelling your entries and permitting you to locate South-African scrip, but the Agent is being reminded of the case by copy of this letter.

Sir,

I beg to acknowledge the receipt of your letter of the 3rd instant, stating that you have completed considerable cultivation on your pre-emption and have performed the residence in connection with your homestead entry by living on the homestead.

In reply I am to say that it does not matter on which quarter section the cultivation is completed, if you have completed thirty acres of cultivation, a reasonable proportion of which was done in each of three years, and have completed three terms of residence, six months each, you may appear before the Agent of Dominion Lands at Calgary or the Sub-Agent of your district with two competent witnesses and make formal application for patent.

Stock may be substituted for cultivation only when there is not sufficient arable land to comply with the homestead regulations with regard to cultivation. If you desire to have your quarter section inspected with the view to substituting stock, you should apply to the Agent of Dominion Lands at Calgary and an Inspector will investigate the land.

Your obedient servant.

Agency file 74586

I beg to acknowledge the receipt of your letter of the 31st ultimo, submitting the application for patent of Mr. George W. Frakes for his pre-emption the above described land, with Homestead Inspector's report.

It is observed that Mr. Homestead Inspector Woodlock values the forty acres broken at $75.00 and further says the amount broken is equal to eighty acres of ordinary prairie land. Kindly draw the Inspector's attention to what he says in his report as it is not considered that $75.00 represents the actual cost of breaking forty acres. In view of the fact that no stabling has been erected on the homestead or pre-emption the Inspector might be able to inform the Department where the stock has been kept during the winter months.

Be good enough to have this information furnished with the least possible delay.

Mr. Mume.

W.½ 6-29-9-W.4th M.
Homestead and pre-emption of George W. Frakes.
Date of entry 25th November 1912.

This man made applications for patent for homestead and pre-emption on the 23rd September 1918 claiming six years residence, 40 acres of breaking and 40 acres cropped, the cultivation in each of five years.

The man was advised that it would be necessary for him to furnish his Certificate of Naturalization as a British subject and also increase the breaking to 80 acres.

Up to the present he has not furnished his Certificate of Naturalization as a British subject, although he has been requested to do so several times, neither has he furnished evidence that he has completed the cultivation duties.

Homestead Inspector Woodlock reported on the 9th March 1921 that Mr. Frakes had not been in the vicinity of the above land since the fall of 1918 and that "Information from his brother who also claims his brother is not coming back until such time that the country will warrant a crop as he has sunk all his money in this land".

In view of the above I would recommend that the Agent be instructed to institute cancellation proceedings against the entries for failure to make a completed application for patent within the prescribed time.

Homestead - George T. Fraies.
Entry granted 15th November, 1912.

The object in this case would appear to be to secure the cancellation of the entry on the first application, [illegible], in order that the land might be open for entry by some other person, forty days notice of hearing and forty days thereafter being allowed.

It does not appear that it would be necessary for the Department to issue certificate of cultivation to a British subject, but inasmuch as the Certificate of Naturalization of a British subject, although he has been resident in Canada for several years, neither has he furnished evidence that he has complied with cultivation duties.

Homestead Inspector [illegible] reported on the 9th March, 1914, that Mr. Fraies had not been in the vicinity of the entry [illegible] and that information from his brother who also claims his brother is not coming back until such time that the country will warrant him in bringing all his money [illegible].

The Land was advertised on the 21st [illegible] and instructions were given to institute cancellation proceedings against the entry for failure to make a satisfactory application for patent within the required time, but the receipt of the enclosed letter from the entryman would appear to [illegible] the homestead should be allowed to the filing of the Certificate of Naturalization.

Re - J. [illegible] Wales
[illegible] 6-29-3 - 4

Sir:

I am in receipt of Form No. 40 from the Agent of Dominion Lands at Calgary, cancelling the entry of George [illegible] Wales for the [illegible]-29-3 - 4.

Homestead Inspector Woodlock reported on 9th March, 1921 that Mr. Wales had not been in the vicinity of the above land since the fall of 1918, and that he was farming at Harris, Saskatchewan.

For your information I might state that this man made application for seed grain on 6th January, 1919, and in his application stated he had improvements to the value of $[illegible], horses - $1,[illegible], cattle - $[illegible], and implements - $[illegible].

On 18th March following he was supplied with seed grain to the value of $139.50. If Homestead Inspector Woodlock's report is correct it is possible that the seed grain supplied in 1919 was not used on the [illegible] 6-29-3 - 4.

I would request that you have your representative down in the vicinity of Harris, Saskatchewan, make inquiries regarding this man, and ascertain if he is the owner of any land. Also endeavour to collect the [illegible] amount due this Department which is $297.56 - interest to 31st March, 1922.

When you have received your report kindly advise me.

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a duly representative thereof by time of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or such representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been applied entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler entitled to make entry under these regulations.

Sir:-

Referring to the departmental letter addressed to you under date of the 1st instant, I beg to advise you that the N.E. ¼ 6-23-8 W. 4th Mer. is at the present time available for entry by the first eligible applicant.

According to a report made by a Homestead Inspector in October, 1922, there were 15 rods of fencing on this land, worth $70, and 40 acres of cultivation worth $70. It is possible these improvements might have deteriorated to some extent, but any applicant for entry would be required to make a sworn declaration as to their value in his opinion, and the amount of his valuation, said entry would be allowed subject to another inspection by a Homestead Inspector, providing his former valuation was disputed.

There is the amount of $74.50 and interest against this land on account of Land Office fees incurred by [illegible] for entry, which applicant for entry would be required to assume this, less the amount paid in for improvements. If the land is assessed to over $50, the matter of commutation may be accepted at rate of entry, one-fifth cash and balance in three equal annual installments.

Re: Account of George Wm. Frakes
L.S. 6-9-8-24

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1919 seed grain and relief amounting to $234.50 were advanced to George Wm. Frakes on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 234.50	$ 492.84	$ 727.34

The W.½ 6-9-8-24 were formerly the homestead entry and pre-emption of the debtor whose entries were cancelled on the 26th of July 1922 and are still Crown lands held in the right of the Province.

In reply to our questionaire of the 26th of May 1922, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Re: Account of George Adamson
S.E. 35-31-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $109.00 was advanced to George Adamson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 109.00	$ 252.27	$ 361.27

The S.E. 35-31-7-W4 was formerly the homestead entry of George Adamson on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 12th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C.H. Gilchrist.

Dear Sir:-

Some short time ago I wrote you respecting a certain Wm. Smith who wanted you to grant him an extension on his Homestead.

In my first letter I gave you the reason he wanted the extension, but perhaps you will allow me to restate them. He has had the misfortune to lose both his wife and daughter, which has cost him quite a lot of money, with the Doctor's and Undertaker's fees.

He now wants to go to work in the mines here, to enable him to pull straight again, but cannot very well do unless you grant him an extension.

I may say his is a very deserving case.

Dear Sirs:-

Re Estate of Lea Benjamin Love, deceased.

The above named deceased had home steaded the North West quarter of Section nine Township Thirty-Two Range Six, West of the Fourth Meridian in the Province of Alberta and had the North East quarter of the same Section as his preemption. He enlisted about the year 1915 we think and was later killed in action. He made his last Will and Testament and gave all his property to his mother Annette Love of the Village of Smithville in the County of Lincoln Ontario, Married Woman. She has obtained in the Surrogate Court of the District of Stettler, Alberta Probate of his will

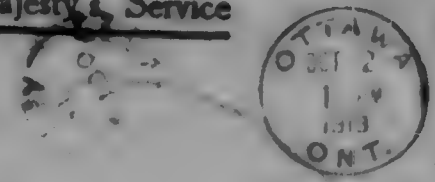

We now ascertain that he has not his patent for his preemption although we understand it has been earned. Will you kindly advise us by return of mail if possible just how this matter stands. We are in a hurry because there is a party leaving for the west to look after his affairs in a few days and he wants to know before he leaves the position of affairs.

The regimental number of the deceased was 421128.

Gentlemen,

Re N. [illegible] 6-22-6-[illegible] 4th M.

With reference to your letter of the 14th instant, informing the Department for the first time of the enlistment and death in action of Lot enjamin Gove, who, during his lifetime, held entry for the above mentioned quarter-section as a pre-emption, I beg to say that the military authorities will be requested to furnish the Department with the usual certificate of death and on receipt thereof Letters Patent for the quarter-section may be issued without the performance of settlement duties, in the name of the deceased or in that of his legal representative.

It is observed from your communication that the deceased left a will and that the same has been probated on behalf of his mother, Mrs. Annette Gove, of Smithville, Ontario, and, under these circumstances, if you will file in the Department a copy of Letters Probate of Will certified by the Clerk of the Court out of which probate was granted Letters Patent will be issued in the name of the executrix of the estate on completion of payment in full of the purchase price for the pre-emption, in regard to which I enclose herewith a statement showing the amount due on this account with interest.

Letters patent 21st July, 1913.

In April, [illegible], a letter was received from Messrs. Mulay and Mahon, a legal firm at Woodstock, Ontario, who stated that Mr. Love had been killed in action overseas, and that according to his will his mother had been left his property. The firm stated his will had been proved in the Stettler District, Alberta, and information was asked respecting his unpatented pre-emption.

Corroboration was received regarding the decease from the Department of National Defence; and although there is a slight discrepancy in the name, it may be assumed that the identity has been sufficiently established. A declaration respecting identity asked for, should however, be required should further action be taken in the estate.

Messrs. Mulay and Mahon were asked to furnish a copy of the Letters Probate certified to by the Clerk of the Court and were also notified that payments would be required.

No further information has been received and according to an instrument of title on the homestead file it would appear that the homestead is under notice of foreclosure and sale.

An Inspector's report was also recently received stating generally [illegible]. The Inspector also reported that a number of applied this land in lots, obtaining [illegible] would be glad to learn Mr. [illegible] of Saskatoon, Ontario, and [illegible] administering the estate.

According to the Patents Branch there is $725.21 due on account of the purchase price.

The Agent now forwards here a report from Inspector Tempany which reads as follows:

> "I understand that his step-father, Mr. H. Leggett, of Woodstock, Ont., is administrator of the estate. There has been nothing done upon the ½ section for the past two years. Taxes in arrears & mortgage upon homestead in bad standing."

In view of the evidence furnished by the Inspector and as no defence was filed in connection with the proceedings instituted, I would suggest that the Agent be instructed to carry out cancellation.

While it would appear that every opportunity has been given to the estate of the deceased soldier to complete payments or state intentions, still, it is not advisable to cancel unless the Department is quite certain that the estate has abandoned the idea of acquiring patent. It does not appear that any notice has ever been sent to the sister of the soldier, Mrs. Annette Dove of Smithville, Lincoln County, Ontario, who is stated to be beneficiary under the Will. It does not appear either that a notice was ever sent direct to Benjamin Dove of Smithville, who is reported by the Militia Department to be the next of kin. I think a final thirty days notice might now be given to all parties interested to state intentions, explaining how the case stands and giving the amount due. Please see that a copy of this is sent to Mrs. Dove and another copy to Mr. B. Dove at the same address given above.

Mr. Hume

N.W. ¼ 9-32-6-W. 4th M.
Pre-emption - L. B. Cove, (deceased).
Entry granted 30th March, 1910.

In April, 1920, a letter was received from Messrs. McKay & Mahon, Barristers, of Woodstock, Ontario, who stated that Mr. Cove had been killed in action Overseas and that according to his Will his mother had been left his property. They stated that his Will had been probated in the Stettler District, Alberta, and information was asked respecting his unpatented pre-emption.

The Department of Militia and Defence reported on the 22nd April, 1920, that the entrant in this case was a member of the 19th Overseas Battalion, C. E. F., and was killed in action on the 27th September, 1918.

In this connection would you kindly refer to Mr. Stewart's memorandum of the 19th May last (marked), also your endorsation thereon.

On the 26th May Mr. W. H. Leggett was advised that he would be allowed a period of sixty days within which to state what his intentions were with respect to paying for the land and that should he not be heard from it was quite likely that the entry would be cancelled and the land otherwise disposed of. A copy of the letter in question was sent to Benjamin Cove, Smithville, Ontario, whose name was given as the next of kin. A copy of the letter was also sent to Messrs. McKay & Mahon, Barristers.

On the same date Mr. Dave Frasher was advised that it had been represented to the Department that he had cropped the land in the years 1921 and 1922, and he was warned that he did so at his own risk; that the Agent at Calgary was being instructed to institute cancellation proceedings against the entry, and if same was cancelled the Department probably would not recognize any claim on his part.

Cancellation proceedings were instituted against the entry on behalf of the Department on the 5th June last on the grounds of default in payment. No defence has been filed.

I beg to acknowledge the receipt of your communication of the 15th February last, in reference to the cancellation proceedings which were instituted against the pre-emption entry of the late L. B. Gove for the above described quarter-section on the grounds of non-payment, wherein you state that there seems to be poor prospects for the Estate to make any payment on the indebtedness, that in order to close out the Estate you have already spent $500. more than you have ever got out of it or ever hope to get out of it.

In reply I may say that before patent can issue for this quarter-section in the name of the Administrator of the Estate it will be necessary in addition to paying for the land in full to furnish this Department with Letters Probate of the Will of the deceased if a Will were left, or if no Will were left with Letters of Administration or a copy thereof certified to by the Clerk of the Court for the judicial district in which the land is situated, or, if the Estate so desires patent could issue in the name of the deceased on payment being made in full.

If you are desirous of securing a short extension of time within which to pay for the land and will advise the Department to that effect the case will receive the most favorable consideration possible under the regulations. On the other hand if the Estate does not wish to hold the land and you will advise this Department to that effect the matter of carrying out cancellation will be dealt with.

The following is a statement of the pre-emption account:-

I beg to reply to your letter of April 1st as follows:

We are not desirous of putting anything more into this property, and it will be your privilege to cancel pre-emption at your pleasure, as it will be perfectly satisfactory to us.

It has occurred to me, that in view of the fact that this boy left some $700 and every nickel was put into the homestead in the west to pay back taxes while he went overseas; and during that period of time there was absolutely no production as he was called away without making any arrangements, if it could be sold at a fair profit, would we be asking anything out of the way to have the privilege of trying to have the pre-emption transferred to anyone else as this would give us a chance to try and get our money out of it?

a request for an extension of time should be submitted to this office. In his reply of the 7th April, 19[illegible], Mr. Leggett states:

> "We are not desirous of putting anything "more into this property, and it will be your "privilege to cancel pre-emption at your pleasure, "as it will be perfectly satisfactory to us.

Mr. Leggett was advised that the estate could secure a Certificate of Recommendation by submitting Letters Probate of the Will of the deceased, or Letters of Administration, and subscribe to a declaration on Form 399. Nothing further has been heard from the estate.

The quarter-section contains in area of 160 acres.

Nothing has been paid on account of the purchase price. The Good Grain Debt, dress with interest to the 31st March, 1931, amounts to £[illegible].13.

Inspector Company reported, [illegible], that there are no improvements of any value on the land, apart of [illegible] of the quarter-section is suitable for agricultural purposes, Value £[illegible] per acre.

A letter was addressed to Mr. Leggett on the 2nd July, 1931, asking for a reply to the [illegible] letter of the 15th April, 1931. Mr. Leggett has not acknowledged the receipt of either letter.

In view of the statements contained in Mr. Leggett's letters of the 14th February, 1931, and the 7th April, 1931, it would appear that it is not the intention of the estate to pay for the land, provided it is accepted that Mr. Leggett is a legal representative of the estate.

Re: Account of I.B. Gove (Deceased),
N.E. 9-32-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $128.55 was advanced to I.B. Gove on the security of the above mentioned land. A payment of $48.60 was received in 1925 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 128.55	$ 195.80	$ 324.35

Patent was issued in the name of Lea Benjamin Gove for the N.W. 9-32-6-W.4th on the 16th of July, 1913, later becoming subject to the 1915 lien. The N.E. 9-32-6-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 16th of April, 1925. The land was later re-entered upon by a Mr. Donald B. Chisholm and patent for the N.E. 9-32-6-W4 issued in his name on the 5th of February, 1929, subject to the indebtedness of the former entrant.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this parcel is vested in this Department, having been acquired through Tax Recovery proceedings. This land, vacant at present, is located in that part of the Province designated Special Areas and in view of that fact there is little likelihood of same being utilized for any purpose other than grazing or any disposition made other than by lease agreement."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.
